<p>Remarks: The attached letters pertain to the talk which [REDACTED] of my staff gave at the International Conference on Computerized Typesetting on March 3, 1965. We expect that there will be others, especially after the article on Hyphenless Justification appears next month in PRINTING PRODUCTION Magazine. The replys to these letters are designed to avoid giving out copies of the talk at least until after the article appears in print. We will be glad to handle all such correspondence by sending replys through you.</p> <p>If this meets with your approval, please date and mail the letters and return the incoming correspondence to me.</p>
